WYLIE, TX (November 16, 2006) – The Wylie View celebrated its first ever fund raising event and in doing so raised \$175 and a shopping cart full of canned goods for the Wylie Christian Care Center.

The fund raiser was held in conjunction with the first ever Wylie View Chili Taste-a-thon on November 11 at the Community Park in Wylie. Wylie View members, family and guests were treated to a variety of chili and baked goodies and treats, all cooked up by Wylie View members in order to raise funds for the first time fund raising event. A bounce house was graciously provided by Garcia's Party Rentals for all the children, and a few adults, to enjoy.

“It was terrific seeing everyone having fun and meeting new people as well as raising funds for a local charity,” said Monica Tillery, The Wylie View LLC, board president. “Bringing people together is one of the things Wylie View does so well and we are excited to contribute to an organization such as the Wylie Christian Care Center.”

On November 16, a few of the Wylie View LLC board members presented \$175 and a shopping cart full of canned food to the Wylie Christian Care Center.

“It’s nice to give back to our community so we will be planning another fund raising event in the near future. I believe it will be even bigger than this one!” said Mrs. Tillery.
